

# Your Admin Sidekick, Supercharged by AI

Helping founders simplify business admin. Fast, smart, and stress-free. On one smart platform.

Andrew from Osome

Your company is now registered! Let us help with a business bank account next.

Who's Osome?

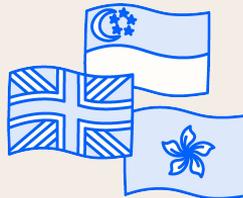

# Built for Founders. Backed by Experts. Powered by AI.

We're Osome. The smarter way to handle business admin.

From incorporation to accounting, payroll to tax, we take care of the back office, so you can focus on the big picture.

30,000+ customers served globally

Local presence in **Singapore**,  
**Hong Kong** & the **United Kingdom**

**AI-powered** platform + expert support = real results

What We Do?

# All-in-One Smart Platform

One platform. One partner. One less thing to worry about.

## Incorporate your business

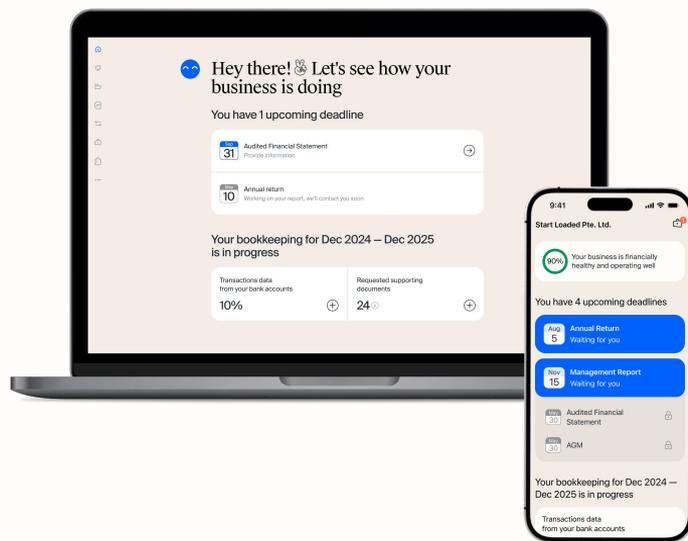

Fast, compliant, and paperless

## Run your books

Unlimited bookkeeping, all sorted

## Stay compliant

Corporate secretarial services that keep you on track

## Handle auditing & tax

Done right, with zero guesswork

## Connect e-commerce & banks

Sync with banks, Stripe, Shopify & more

## All business docs digitised

From incorporation to payroll & accounting —all searchable and backed up

Why Osome?

# Less Admin. More Control.

We turn admin from a burden into a breeze.

## Fast

Speed through setup, filings,  
and compliance

## Smart

AI takes care of sorting,  
flagging, and tracking

## Human

Talk to real experts when  
you need them

## Clear

No fine print,  
no hidden fees

## Informed

Instant reports and insights  
at your fingertips

One Smart Platform

# Everything You Need. Nothing You Don't.

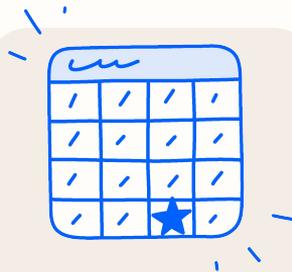

All your business tools in one place. All working together.

Create and send  
invoices in seconds

Sync with banks, Stripe,  
and e-commerce stores

Track deadlines for  
payroll, tax filings

Securely store and access  
your key documents

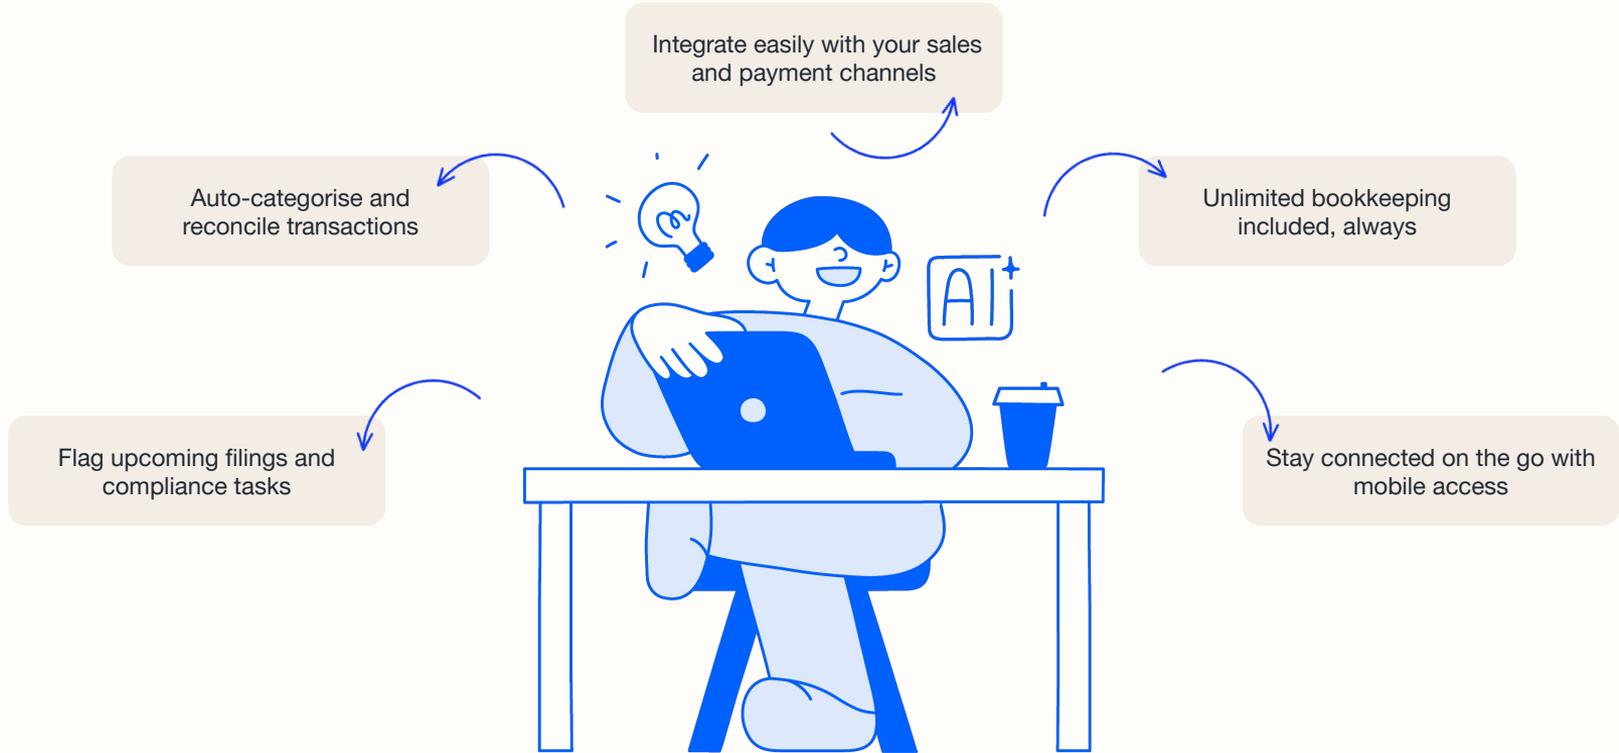

Manage everything on  
desktop or mobile

Our AI-Enabled Software

Sprout

# Company Incorporation

Start strong with expert guidance, smart tools, and zero guesswork.

## Bespoke solutions

We kick things off by understanding your goals, then recommend the right structure to set your business up for success.

## Efficient registration

From paperwork to compliance, we handle the entire setup and liaise with authorities, so you don't have to.

## Business banking, made easy

Open a business account through our trusted partners, from tier-1 banks to digital account players like Airwallex and Aspire.

## Built for your convenience

Our AI-powered platform keeps everything in one place. So you can manage documents, track progress, and stay ahead of deadlines with ease.
