Speaker Expectation	The speaker is encouraged to: ● Share practical insights and real experiences. ● Deliver the session in an engaging and student-friendly manner. ● Encourage students to explore opportunities confidently. ● Inspire students to grow beyond academic achievements alone.

SESSION BACKGROUND

As competition for university admissions and scholarships intensifies worldwide, students are expected not only to excel academically but also to demonstrate leadership, adaptability, initiative, and meaningful involvement beyond the classroom.

Through this session, students are expected to gain a broader understanding of scholarship opportunities, how universities assess applicants, and how they can start building a strong

SPEAKER SESSION – HIGHFIELD EDUFAIR 2026

personal profile as future global students through insights and real experiences shared by someone who has successfully through the scholarship journey firsthand.

SESSION OBJECTIVES

This session aims to:

- Introduce students to different types of scholarships and scholarship pathways.
- Help students understand what universities usually look for in scholarship applicants.
- Encourage students to build both academic and non-academic achievements.
- Provide insights into leadership, volunteering, and project experiences.
- Develop students' mindset as future global students who are adaptable and initiative-driven.

NOTES

The discussion points above are flexible and may be adjusted according to the speaker's expertise, experience, and preferred delivery style.

We truly appreciate the speaker's participation and contribution in inspiring students through this session.
